English

Urdu

Profile

Enthusiastic and innovative front-end developer and web designer, currently enhancing my skills in Information Technology at Aptech. With a focus on creating impactful digital experiences, I specialize in HTML5, CSS, JavaScript, jQuery, and Bootstrap. My experience extends to PHP, MySQL, WordPress, and Shopify. Currently interning at Digital Tech Box, I am refining my WordPress web design skills and Microsoft Office automation expertise. I am committed to continuous learning and eager to contribute my growing expertise in web and software development
